DIVERSION

When a housing crisis arises, it is just that, a crisis. Help is there to talk through the crisis so that possible solutions such as family and friends or other services can be identified.

STEP #2

INFORMATION and REFERRAL

STEP #4

Depending on the individual case, information and referrals to community resources will be provided. The good news is that with just this little bit of help, many people are able to resolve their housing crisis.

Step #4 is either or

IN-DEPTH ASSESSMENT/HOUSING PLACEMENT CHOICES

STEP #4

After the assignment is made to a Housing Resource Assistant through one of NWCEH's member agencies for help, an in-depth assessment is provided to better understand the current housing situation. After the assessment, housing help support will be directed to one of 3 options: **Minimal, Moderate, or Intensive Housing Help Support**. Any and all of these pathways are designed to lead to housing.

STEP #3

BASIC ASSESSMENT / TRIAGE

Like triage in health care, basic information will be gathered about your current housing situation to determine the best individualized Pathway to housing. Based on the assessment, the Pathway may lead to **Information and Referral** or an assignment to **Housing Resource Assistance**.

Step #2 is either or

STEP #2

TEMPORARY SHELTER

If no other resource can be identified, there may be temporary shelter solutions available.

STEP #1

HOW CAN I ACCESS HOUSING HELP?

When someone is in a housing crisis their first point of contact may be at school, community helping organizations, street outreach, shelter, jail, hospital or with a neighbor or friend. Any of them may be able to start your Pathway.

If not, and you or someone you know is experiencing a housing crisis and needs help, please call: **1-844-900-0500**
